

3D QUILLING

20 projects for turning curled paper strips into three-dimensional art

SPECIFICATIONS

Format: 222 x 222 mm / 8¾ x 8¾ in

Extent: 128 pages

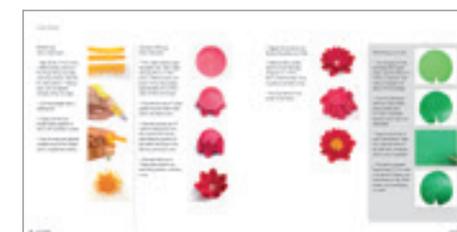

Illustrations: Over 100

Color: Full color

© Toucan Books Ltd

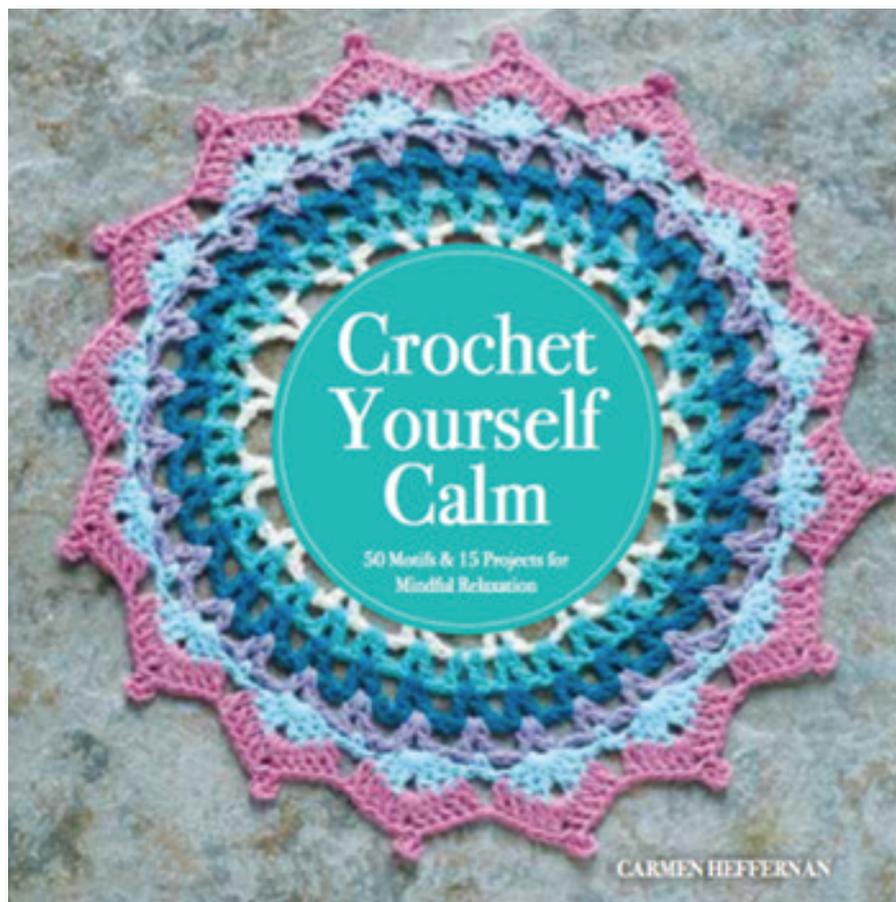

This book takes quilling, the art of creating filigree designs with curled strips of paper, in new and exciting directions. From basic techniques to stunning three-dimensional works of art, Vaishali guides readers through every step of the creative process.

- Make 20 beautiful free-standing sculptural projects with quilled paper.
- Create stunningly detailed decorative pieces for your home, including flowers, fruit, insects, birds, and animals.
- Learn the basics with step-by-step photo guides, then release your creativity on the easy-to-follow projects.

About the author

Vaishali Rastogi Sahni is a paper-quilling artist from Lucknow, India. She sells her creations via her Etsy store Kagaz Kala Creations.

CROCHET YOURSELF CALM

50 motifs and 15 projects for mindful relaxation

SPECIFICATIONS

Format: 222 x 222 mm / 8¾ x 8¾ in

Extent: 128 pages

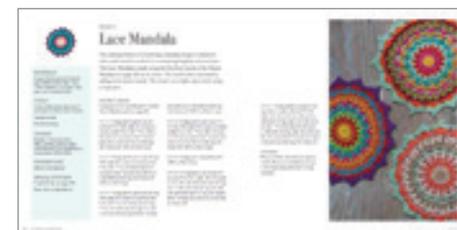

Illustrations: Over 100

Color: Full color

© Toucan Books Ltd

Keep your hands busy and your mind relaxed, as you crochet this inspiring collection of repeat patterns, some designed as small geometric motifs, others conceived on a larger scale.

- 50 original repeat patterns and motifs, with 15 projects for making them into beautiful, useful items for you and your home.
- Make joyful rainbow-colored mandalas, ethereal cool-blue granny squares, and mellow spice-toned triangles; crochet them in rows or in the round; then join them together to make bags, scarves, pillows, and more.
- Learn the basics with step-by-step photo guides, then release your creativity on the easy-to-follow patterns.

About the author

Carmen Heffernan creates her own colorful designs and patterns for her successful Etsy store, AnnieDesign. Her work has featured in numerous blogs, magazines, and books, including *Mollie Makes* and *Boho Crochet*.

FEMINIST FELTIES

20 empowering projects in felt and fabric to change the world, stitch by stitch

SPECIFICATIONS

Format: 222 x 222 mm / 8¾ x 8¾ in

Extent: 128 pages

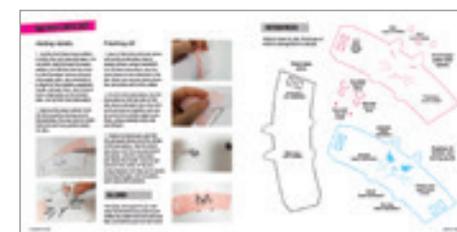

Illustrations: Over 100

Color: Full color

© Toucan Books Ltd

This quirky craft book provides all the creative inspiration needed to make a powerful feminist statement in a subversively homespun way. The projects are as edgy as they are whimsical, and include a gallery of feminist icons in badge form.

- 20 fierce, feminist felt craft patterns.
- Make a fistful of powerful feminist craft objects: home accessories, holiday decorations, badges, and more.
- Learn basic stitch, embroidery, and felt assembly techniques, then follow clearly outlined, step-by-step patterns for hassle-free crafting.

About the author

Missy Covington creates her own felt patterns and crafts for her Etsy shop, CraftSubversive. She is a corporate citizen by day and a subversive crafter by night
